2nd LIST OF PLANTS

offered by the

HORTUS BOTANICUS VOMERENSIS

Bibliotheek der Landbouw Hogeschool WAGENINGEN

C. Sprenger. Naples-Vomero. Italy.

Notices and Conditions:

Orders from unknown Correspondents must invariably be accompanied by remittence.
Prices are quoted in Francs. 1 Franc about 9 1/2 d. — or 5 Francs = 4 Shilling or. — 25 Francs = 1 £. Sterling.
Terms of payment 60 days from date of invoice.
I cannot allow any discount.
Orders booked in strict rotation.
Commissions promptly despatched.
I send out all plants at the risk of the purchaser.
For my horticultural nomenclature and forms originating in my garden I can guarantee the genuineness.
I decline responsability for the unconditional correctness of the botanical names of new of rare species. In doubtful questions the firs botanical authorities must decide.
In case receipts or invoice are not received within 10 days. I would request that the order should be repeated, as letters are frequently lost.
Special offers of important plants are only valid for 1 month and are subject to being sold out.
Price lists N.os 3, 4, and 5 Autumn 1906 are valid till the publication of the new lists in the autumn 1907.
My friends, by ordering, acknowledge the above conditions of sale.
